

You are somebody. **BE COUNTED!**

CENSUS DAY IS APRIL 1, 2010 **The census happens once every 10 years!**

The 2010 census is **EASY**, **PRIVATE**, and **IMPORTANT!**

EASY: Every home will receive a short questionnaire in the mail that is fast and simple to complete and return.

PRIVATE: By law, the U.S. Census Bureau cannot share your answers with anyone, including federal, state, and local government agencies.

IMPORTANT: Why? Our health centers, as well as other medical and social services in LA County, rely on money received from the federal government. The amount LA will receive depends on the population.

The more people counted, the more money LA may receive.
This means more services for **YOU**, your loved ones, and other residents.

Every response is crucial. So, be sure to fill out and mail your census questionnaire in April. **You are somebody. Be counted!**
